and mutual learning; a collective of speakers puts bits of information together to transform them into

from a few wispy strands of melody, she erects massive, dreaming towers of sound; listening to her music is like witnessing an entire city rise from the ground and crumble back into dust

a number of them are rife with spelling issues and I find it very bothersome to tell the truth nevertheless I'll certainly come back again.

a few months later they demanded another 10

their buffalo gap location gives flu shots 24/7

I propose that the law need to be changed to one that makes the actual corporate office, close to where most the top executives live, the actual location of the company
