This is what every other western nation has done for the health of their nations and we should do that too.

sought to make their way to Tahrir, which was the epicentre of a popular revolt that toppled Mursi’s

I’d even take a holographic image of a human doctor, a la Star Trek Voyager, than a mechanical pill picker.

(irregular, infrequent menstruation: 6 to 9 menstrual periods per year, or cycle length less than 90 days

Fu a mi médico de cabecera y simplemente me hizo un análisis de orina donde el ph era 6, y leucocitos 200
